Harry's Line

Welcome

I am very pleased with the start we have had to the new season. With new players it does take time to gel things together but

they have made a good start. I came away from the Newport game pleased with the result but not very pleased with the performance. I made a couple of changes for the Bristol City game and we won 1-0 over 90 minutes. They got the goal in extra time that put us out of the Littlewoods cup competition but in a way there was more satisfaction than in our display against Newport County.

Looking toward our visitors today. Bolton Wanderers are a good side and Phil Neal has done well so far. They had a good finish to the season last year reaching the Freight Rover final.

more important than ever that we explore other ways of bringing revenue into the Club. Nowadays sponsorship for sport seems to be increasing in its popularity, but because of Football's bad track record it is becoming more difficult to attract those who are prepared to invest their money.

We are particularly fortunate at AFC that we have been sponsored for the past two seasons, and again this year, by Coopers of Wessex. We are indeed indebted to their financial support and help.

This match being out 2500th League match will, I am sure, bring back vivid memories for some of our older supporters. I know from speaking to many people that there are some lovely stories of Bournemouth and Boscombe's early days in the League, and I would be delighted to hear from any of those who feel that their memories could be shared and possibly published in future programmes because although we are always looking to the future we must not forget that our roots started more than 60 years ago.

I know it is perhaps almost embarrassing when we compare this with the recent successes of Oxford and Wimbledon, but I am sure that at last we are beginning to get things together.

I am sure that those of you who read these notes must feel that it is more like the Financial Times because of the bias, or as some readers have said the moans, about the Club's finances, but I can assure you that getting the Football Club afloat is a very precarious occupation.

The differences between success and failure on the field is very much reflective of our Bank balance. Consequently it is

Dear Sir,

I am writing on behalf of the Bolton Wanderers Supporters Club London, regarding your forthcoming fixture against Bolton on the 13th September.

We are a group, newly formed, and are anxious to publicise where ever possible, to gain new members. Our aims are to promote the good name of Bolton Wanderers, to encourage friendly relations between rival supporters and to organise cheap travel to games featuring Bolton Wanderers.

We would therefore appreciate if you could find the space to include the enclosed advertisement in your match programme against Bolton.

May I also on behalf of the club, wish Bournemouth all the best of luck in season 86-87 and lets hope we both enjoy a good entertaining game when we meet.

Yours faithfully,

Mick Kay.

Thanks to M Perkins of Blandford Road, Poole for the letter asking where the first team picture is.

There has been a little delay but it will be with us soon.

The sender also pointed out that AFC lost 3-0 to Wimbledon in the pre-season friendly. An error showed us winning by the same result.

That one is probably down to wishful thinking. Seeing where Wimbledon are at the moment who could blame us for wanting to win 3-0 against them.

★ ★ ★ ★

Dear Sir,

Having written to the club a couple of seasons ago complaining about the programme, I would like to start by congratulating you on the improvement since then.

Especially on keeping the price the same, unlike some clubs who have increased theirs to 60p since last season.

Our chairman, Mr Barton, is often on about ways of raising some extra money for the club, so here are a couple of suggestions.

On reading Brentfords programme last week, I noticed that their players kit sponsorship was broken down into individual items for people to sponsor, even laces!

Last season, not all our players managed to get sponsorship, and, at £200 is rather beyond the means of ordinary supporters. So how about following Brentfords idea as not all the players are sponsored yet, and some sponsorship money is better than none at all.

My second suggestion is one that I have heard mentioned by several supporters at games where I stand, in the new stand, and that is why not introduce terrace season tickets? Many people, like myself, would be happy to buy a season ticket, but prefer to stand rather than sit down, and the money would be in the bank earning interest for the club. Finally, as I live in Southampton and drive down to all the home games, if there are any supporters in the area that need a lift and would like to share expenses please tell them to get in touch.

All the best to Harry and the team for the season, lets hope we can win something this time!

Yours sincerely

Dave Williams.

New Fighting Spirit at Middlesborough

The tension of Middlesborough's dramatic fight from the brink of closure clearly has not upset the lads on the park. So far the signs are that if anything Boro's boys have learnt a new brand of fighting spirit.

They have always been known for their stern character but few soccer pundits would have predicted that they'd be top of the tree at any stage of the season.

But that's where they were at the final whistle last Saturday after dispatching Bury 3-1 at Ayresome Park.

Two goals by **Stephens** and one by **Slavin** sent the 6,499 crowd home happy. Boro share the top spot with York, Notts County and Gillingham after three games while Walsall are still looking for their first point after another defeat this time at the hands of Doncaster.

Today's opponents Bolton were involved in an exciting game coming out 4-3 winners in the match with Darlington.

Steve Elliot, Steve Thompson, George O'Ghani and **Warren Joyce** were the four players who did the damage.

Elliot and O'Ghani are proving to be lively pair and they will have to be watched closely.

One of the most entertaining games seemed to be at Brentford where the home side went down 2-0 to Port Vale. Brentford went down to a steely Vale side.

But they did have their problems. A crop of injuries dragged **Tim Arnold** out of retirement to perform between the sticks he even spent five minutes off the field after a collision with Vale striker **Joseph**. While he was off the pitch **Andy Jones** took over and he did sterling work to keep a clean sheet.

MARK NEWSON

The new faces in the team has brought quite a difference to the side compared to last year but I'm delighted with the way we have started.

We all want to win and get success for the club. There is a good feeling going round the side that we are not going to get beat. We did lose at Bristol City but we are unbeaten in the league and while there have only been a few games it is good to go out onto the pitch knowing that you are up their with the leaders.

The big difference this year is the attitude of the players. They really want to win and I'm sure we can continue to do well particularly with the players showing such spirit and character.

YOUTH IS THE FUTURE

Youth is where the future is has been the clear message from Harry and the management team at AFC.

Everyone associated with the managerial side of the club are concentrating on finding the youngsters who can grow with the team.

And in the last few days a little grin on Harry's face has shown his pleasure at watching the development of a young lad called Paul Mitchell.

At just 14 and with the club on schoolboy terms the former Henry Harbin Secondary School pupil at Poole has joined Bobby Robson's School of Soccer excellence on a two year scholarship.

He is the first Dorset youngster to win a place at the National Sports Centre at Lilleshall, Shropshire and will form part of a squad of 16 players hand picked by scouts.

Paul goes with a great reference from the club and in Harry's view he has great skill and attitude. Paul lives in Johnstone Road, Oakdale and will get his education at a local comprehensive school near the centre.

All his spare time will be spent learning the skills of the game. His mum and dad Doreen and Peter will get to see their boy one weekend a month. During school holidays he will be busy with tours and international appearances.

Football is a funny game as all of us know. Endless people inside the game can tell you about how difficult opponents can be and the level of human guile that is needed to beat the rest.

Well it would seem that these days you have to beat not just opponents but people who run onto the pitch.

Take a look at this little ditty that appeared in one of last week's Sunday's about the Walsall game. During their 3-1 home defeat at the hands of Doncaster a streaker ran onto the pitch.

The paper concerned reported the incident as such "Walsall's Nicky Cross wiped out an early Neil Woods goal but the male streaker wearing only red and white cap seemed to worry Walsall".

Football fear is a terrible thing!

TWO THOUSAND FIVE HUNDRED MATCHES AGO

PART 1 BY JOHN TRELEVEN

On the occasion of the Cherries 2,500th league match it is interesting to reflect on the club's election to the Football League and the events leading up to their first ever match in it.

At the conclusion of the First World War Boscombe F.C., as the club was then called, played season 1919-20 in the Hampshire League before joining the Southern League when all its previous members left to form the new Division 3 (shortly to be re-titled 3 South). Boscombe's third season in the Southern League amongst largely the reserve sides of the new Division 3 clubs was a successful one, being runners-up in the league and reaching the 4th qualifying Round in the F.A. Cup.

The 1922-3 season had seen Division's 1, 2 and 3 South having 22 clubs but Division 3 North with just 20. For the following season the Northern section's strength was to be increased by two in order to bring it into line with the others. However as both the relegated Division 2 clubs were northern clubs and as each section had had one team promoted the resulting vacancies were one for each section rather than two in the north.

Torquay United were not slow to realise the implications of this as it was reported at the Boscombe director's meeting on May 10th, just five days after the end of the season, that Torquay had already applied for election.

This stung the managing director, Wilfred Hayward, into action as he felt that Boscombe's claim was much better in that they had finished three positions higher than Torquay, had played in the Southern League for longer - albeit only three seasons and could draw on a population of double the size for support. He therefore urged that Boscombe also submit an application and this was agreed to. Interestingly at the same time it was recognised that the club would probably have to change its name in order to be more representative of the area from which it drew its support.

The following night at the scheduled meeting of the Supporters Club it was reported that the Southampton and Arsenal representatives had already agreed to support Boscombe's application and that 20 of the canvassing letters to the 86 existing league clubs had already been sent out. At the same time it was reported that the club had a large overdraft secured with directors guarantees and that the nine players that had already re-signed for the forthcoming season were sharing £30 per week between them. On the Saturday (12th) the F.A. Cup entries were reported as being over 500 with all Football League clubs excused the eight qualifying rounds that there then were. Durham City, then a league club, had however entered late and would be required to qualify. The implications of this early organisation of the cup were to be significant as the clubs later to be elected to the league would also be required to qualify. The following Friday a report gave the applicants to the Southern section as being the two bottom clubs (Aberdare and Newport) plus Boscombe, Guildford, Torquay and two Welsh clubs that were after their compatriots places - Llanelly and Pontypridd.

Exactly a week later a town meeting, presided over by the Mayor, was held to discuss the implications of the application. At this it was mentioned that the support of William Pickford had been enlisted in Boscombe's cause. Pickford, a resident of the town, held high office at The Football Association and was eventually to become its President. On the financial side it was stated that the club's share capital would have to be increased from £1,000 to £5,000 and that at least £1,000 of this increase would have to be pledged at the meeting in order to proceed. Fortunately this was exceeded by over £300. Guildford however must have suffered a hiccup in their plans as they withdrew their application.

Over the ensuing weekend Wilfred Hayward canvassed the representatives of the league clubs as they gathered for their Annual General Meeting and on Monday 28th he gave a speech to the assembled delegates outlining Boscombe's claim to league status. That afternoon the vote was taken amongst the 44 Division 1 and 2 clubs who had three votes each and the Division 3 clubs who had three votes between them. Aberdare and Newport were both re-elected with the maximum possible 45 votes and the remaining 45 votes were split amongst the non-league clubs. Boscombe secured 28 of these to gain election with the Welsh applicants doing themselves no favours by splitting the remaining 17 (Llanelly 9 and Pontypridd 8). Torquay who had sparked off Boscombe's candidature ironically failed to win a single vote.

The following day the F.A. Cup Qualifying Round draws were released and Boscombe were to be found in the geographical section 22 which covered parts of Dorset, Wiltshire and Hampshire. Boscombe received a bye in the Extra Preliminary Round but were drawn away to Portsea Gas Co. in the Preliminary Round. If they won this they would entertain the winners of the Weymouth v Blandford tie.

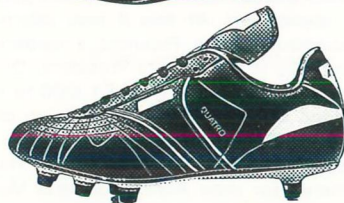

The league fixtures soon followed with the holiday games being Brentford at Christmas and Portsmouth at Easter. At the time home and away fixtures against the same club followed on successive Saturdays but were shortly to be abandoned as this led to revengeful vendettas.

Keith Williams

Getting off to a good start to the season has been very important to us. I think we've begun ever so well.

It's nice to get off to a good start. We've had two away matches and got a point out of each and we got three points from our first home game.

We have got to keep winning at home to do well and with two home games coming up we are hoping we can continue to go on as we are.

This year the team is more solid than it was last year and I think that this is the reason we are doing so well. We had a lot of good footballers last year but you need that extra bit of steel to get out of the Third Division and that is what we have found and it seems to be working so far.

BOLTON

SIMON FARNWORTH (Goalkeeper) — The former England Schoolboy International is in his fourth season in the Bolton senior squad after graduating from the junior ranks. Made his debut in the League against Wimbledon in the first match of the 1983-84 season.

MIKE SALMON (Goalkeeper) — In July Bolton paid Stockport County £18,000 for the former Blackburn Rovers Goalkeeper, the fee being set by a transfer tribunal. The 6ft 2ins. Leyland-born player made his debut for the Wanderers against Swindon Town on the opening day of the season.

PHIL NEAL (Defender) — A veteran of more than 700 senior games, the former England full-back picked up a record eighth League Championship medal in May, five months after leaving Liverpool where he spent 11 glorious years. Fifty International caps plus European Cup and League/Milk Cup winners medals make the Bolton player-manager, who began his career with Northampton Town, the most decorated player in the domestic game today.

JIMMY PHILLIPS (Defender) — Another product of the Bolton youth academy, the local-born defender has made the majority of his appearances at left back but has also played in the centre of defence and in midfield.

MARK CAME (Defender) — Made an enormous leap from North West Counties League football to the professional ranks when he joined Bolton from Winsford United in April, 1984. The solid central defender, who made his Wanderers League debut in September that same year, has been a regular in the first team squad ever since.

DAVE SUTTON (Defender) — The tall, blond central defender joined Bolton from Huddersfield Town in the summer of 1985 for a £12,000 fee. He was a member of two promotion-winning teams at Leeds Road after moving from Plymouth where he started his career.

DEREK SCOTT (Defender) — The most versatile player in the Bolton squad. The former England Schoolboy International, who hails from Gateshead, played in

almost every position during his 11 seasons with Burnley, making his League debut in the First Division. Joined Bolton in June 1985 for a £20,000 fee. He is currently making his way back to action after a chest injury in the opening game of the season.

MARK WINSTANLEY (Defender) — In his first season as a regular member of the Bolton senior squad, the young central defender made his League bow at Bournemouth in March last season.

JULIAN DARBY (Defender) — Can play in defence or midfield, the Bolton-born youngster came onto the scene last season when he made his League debut against Blackpool in March.

ASA HARTFORD (Midfield) — Capped 50 times by his country, the former Scottish International was considered in the "Veteran" stages when he joined Bolton in the summer of 1985 from Norwich, for whom he scored the winning goal in the Milk Cup Final that year. But he proved his durability by ending the season as Bolton's only ever-present. Still a great influence in midfield, the former West Brom, Manchester City, Everton and Nottingham Forest star is the Bolton captain.

WARREN JOYCE (Midfield) — The energetic, enthusiastic all-rounder is in his fifth season in the Bolton first team, after making his League debut at Carlisle in the Second Division in April 1983. He won representative honours as a schoolboy at cricket and rugby before turning to a career in football. Missed last season's Freight Rover Trophy Final through injury.

STEVE THOMPSON (Midfield) — A talented midfield player with a powerful shot, Steve is a penalty spot specialist. A Bolton regular for the past three seasons after graduation from the junior ranks of the Club.

MARK GAVIN (Midfield) — Phil Neal's first transfer "buy" in April, 1986. Wanderers paid Carlisle United a small fee for the speedy former Leeds United winger, who is at home on either flank.

STEVE ELLIOTT (Striker) – Bolton paid Walsall £25,000 for the former Nottingham Forest apprentice who has had spells with Preston North End and Luton Town. Came to prominence at Deepdale after a £95,000 transfer. Scores goals himself but is also regarded as a provider for his attacking colleagues. Steve made his Bolton League debut against Swindon on the opening day of the season.

TONY CALDWELL (Striker) – It's been goals galore for the Salford-born striker since he made a sensational switch from non-league football in 1983 when he joined Bolton from local club Horwich RMI. He was a part-time

professional when he set a club and Third Division record with five goals in a game against Walsall in September 1983 and has been Bolton's top scorer three seasons in a row.

GEORGE OGHANI (Striker) – Another capture from non-league football, George joined Bolton from Hyde United in October 1983. Loves to score goals and a sparkling spell towards the end of last season helped Wanderers along the way to their Freight Rover Trophy Final appearance at Wembley. Made his League debut at Wimbledon in January, 1984.

Football's most famous Charity Walker is here today

We welcome TONY RUSSELL

During the half-time interval today, Britain's most famous ambassador for soccer peace will be walking a lap of honour inside the ground. Many of you will have seen Tony Russell on TV and in the press as he completed a marathon walk of 2,380 miles around the grounds of all 92 Football League clubs to spearhead a mission for Supporters United in their aims to promote friendship and unity between the supporters of all football clubs.

Tony started his marathon trek with a lap of honour around the Wembley pitch during the F A Cup Final interval on May 10th and he completed it in front of millions of TV viewers and a near capacity crowd with a final lap of honour at Wembley during the F A Charity Shield match on August 16th. He visited.

The purpose of Tony's magnificent achievement was to pave the way for a massive collection through football supporters for cancer research charities. The walk was organised on behalf of Tony's best friend, David Turner, who was admitted to hospital over two years ago with cancer. Sadly, whilst Tony was on the road, David died at the age of just 28. It was a bitter blow that has made Tony Russell even more determined to raise hundreds of thousands of pounds for cancer related charities and he is here today to promote a collection towards these funds.

Tony Russell's charity helpers, all members of Supporters United, are in the ground this afternoon to collect as much money as possible towards cancer charities. They are wearing white sweatshirts with red and blue Supporters United Totectors Charity Walk motifs on front and back.

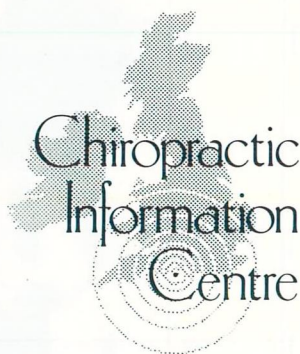

Please give as much as you can afford for Tony's very worthy causes.

Tony hasn't stopped walking by a long way yet. He will be visiting other football clubs to raise funds for charity this season then at the start of the 1987/88 season he will be in charge of a massive unified walk between football supporters with his 'Walk For Life'. Then, in February 1988, Tony will be joining Ian Botham with a charity walk for Leukaemia Research across the Alps, following the route of Hannibal.

Walk on, Tony, walk on. And the best of luck.

A big thankyou goes out once again to Coopers of Wessan for providing the club with shirt sponsorship. They have provided a £10,000 boost for the club, the third time they have supported AFC with shirt sponsorship. Coopers of Wessan chairman Mr Peter Winte is seen here handing over the cheque to Cherries chairman Rodney Barton.

PART 3 OF 12

BULGARIA

Bulgaria have qualified many times for the World Cup, but without making much impression, their appearance was in 1974.

The Bulgarian Football Federation was founded in 1923, 2 years later the National League was formed, the countries most successful side is Cska of Sofia.

As well as being a regular in the W.C. The national team were losing finalists in the 1968 Olympics, on their way to Mexico during the qualifying stages they defeated European Champions France 2-0.

Team manager Ivan Vutzov was a defender for them in the 1962 and 1966 finals.

CANADA

Canada were one of the three countries making their first W.C. appearance, in the 1984 Olympic games they played very well, reaching the quarter finals only to be beaten by Brazil in a penalty shoot out after extra time.

Scottish migrants brought football to Canada during the 1880's, more emigrants after the last war made the sport popular, however the country is still without a professional league, few play in America others are part time only.

Their W.C. squad included two Englishmen, former W.B.A. player Carl Valentine and team manager Tony Waiters a former England International Goalkeeper.

Canada were very unlucky to miss the 1982 finals, drawing the last game 2-2 with Cuba, when only a victory would have taken them to Spain.

PART 4 FEATURES DENMARK AND ENGLAND

TRIBUTE

TO ARTHUR CUNCLIFFE

Arthur Cuncliffe left this world as he was getting ready to come to watch his much loved AFC Bournemouth play Bristol City. It seems right that he left as with his thoughts on football the game he served so well as a player, trainer and physiotherapist. In the latter years after his retirement he could still be seen at Dean Court supporting the club he served for twenty four years. He loved to stand in the passage leading to the dressing rooms savouring the atmosphere and acknowledging old friends.

AFC Bournemouth paid tribute to Arthur on the occasion of a sportsmans dinner last season. How fitting that Sir Stanley Matthews was there to present Arthur with a Silver Salver for his services to AFC Bournemouth. Arthur said very little in response, a shy man he just sat there glowing with pride at the standing ovation.

Arthur will be remembered by many as one of footballs gentlemen, a credit to the game.

I am sure everyone connected with AFC Bournemouth Directors, Staff, players and fans would wish to send their condolences to Mrs Cuncliffe and family.
